Contact & Billing Information Update

EMHOA is required to send some information by US Mail. It has the option of publishing a community directory with owners' names, addresses, email addresses, and telephone numbers but only for those owners who consent to the publication of their email address and/or telephone number in the directory. Ongoing news and messages to the community are sent by email. If you are a new owner or have changed any of your contact information within the last year, please fill out this form and return it to the BOD. If you choose not to have your information published in the directory, you can still receive EMHOA updates (news and messages) via email.
