Trails Investigation Task Force

An interest has been expressed to explore creating and maintaining trails within our community.

This committee would be tasked with:

- Doing interest and impact studies, design, development of a trail system, including budget, maintenance, costs as well as other requirements not listed here.
- This committee would need to work closely with other committees and the BOD in order to complete a detailed investigation using criteria held by the BOD.
- This would be an ad hoc committee, but should the project be viable and accepted could become a standing committee.
